

## Screencast

In this video, we will explore the Texas Online College and Career Readiness Resource Center website. The main area of the homepage contains several resources to introduce you to the content. The navigation menu at the top includes links to the course and related resources.

Click the Take the Course link to access the lessons, resources, tools and activities table of contents. Click on "Introduction" to begin. To watch a video, click the play button. You can also pause, adjust volume, and expand to full screen view. The menu on the right contains links to the other Chapter Overviews or return to the table of contents.

Click on a lesson title link to go to that lesson. Use the arrows or the menu on the right to navigate through the lesson sections. When you reach the end of the lesson, click on Take the Course to return to the table of contents and select another lesson.

After you have completed all the lessons in the course, you are eligible to earn continuing education units. Click the CEU Credit link to learn more and follow the directions provided.

The Find Resources section of the website provides direct links to the tools and resources page from each lesson.

For additional information or assistance, select "Contact Us" from the main menu.
